

Responsible Development San Jose
BUILDING THE MIDDLE CLASS

VETERANS DAY OF ACTION

Our Nation's Heroes are facing tremendous challenges as they re-enter civilian life. A decent job goes a long way towards helping make that transition a whole lot easier. Developers need to hear from Veterans & our membership fighting for the middle class! The City of San Jose has a responsibility to secure quality living conditions for those who have risked their lives to defend our country.

Join us! - November 10th
