San Rafael, CA May Day March & Fiesta to Celebrate Immigrants and Workers

May 1, 2017 at 2:30pm
San Rafael City Plaza/Fourth Street to Boro-Pickleweed Park
FREE

United Marin Rising, together with a broad coalition of community groups and concerned citizens, will gather for a march on Monday, May 1st, at San Rafael City Plaza in solidarity with and celebration of all immigrants and all workers. Organizers will lead the group in a peaceful sidewalk march to Boro-Pickleweed Park in east San Rafael for a unity fiesta beginning at 5pm and featuring local performers and vendors.

United Marin Rising calls on all of us in Marin to demonstrate our public support for the rights and contributions of all workers, especially those of our undocumented immigrant neighbors whose uncertain legal status leaves them particularly vulnerable to workplace abuses.
