JOIN US TO HEAR UPDATES

about the **anti-worker attacks** at the federal level and how to protect your members. Hear the latest on anti-union legislation, the healthcare takeaway, the tax shift to working people, and worker protection rollbacks.

- Hear how we will use state laws to fight the attacks, advance worker safety, strengthen protections against employer retaliation, and build stronger unions.
- Learn about the case headed to the Supreme Court to weaken our unions.
- Find out how to defend your members from a tax on our benefits, worksite immigration raids, and attacks on pro-worker regulations and environmental laws.

It has never been more important for the California Labor movement to be united and ready to fight!
