

Resolution #4

HONDURAS RESOLUTION

PRESENTED BY: **SACRAMENTO CENTRAL LABOR COUNCIL**

WHEREAS, the death squad and military assassinations of union and human rights leaders continues throughout Honduras including world-recognized environmental and human rights indigenous leader Berta Caceres; and

WHEREAS, the Obama Administration is sending millions of hard-earned dollars from U.S. workers which will expand the military's suppression of union and human rights resistance to the corruption in the U.S.-supported government in Honduras;

THEREFORE BE IT RESOLVED, the California Labor Federation calls on each of its Central Labor Councils to invite leaders of the Honduran resistance movement to meet with their CLC Executive Board and consider what strategic impact they can exercise through their relationship with the members of Congress from their jurisdiction.
